Coaches will determine the make-up of the All-Conference Team, by position, before the vote is taken. The positional make-up of the All Conference Team may change from year to year by consensus of the coaches.

Each coach must vote a complete ballot and may not vote for his or her team members.

Coaches will vote a secret ballot. The host athletic director will tabulate the votes and announce the results. Coaches will not be allowed to assist with tabulations.

In case of a tie, a second ballot will be prepared for coaches who are not involved in the tie. If the tie remains after a second ballot, the players involved will be placed on the All-Conference Team and additional medals will be awarded. All-Conference Teams selected by ballot will have Honorable Mention. Each coach may also submit one senior nominee to receive Honorable Mention
