

**Policy 4001**  
**CONFERENCE SPORTS**

**Division**

Divisional sports may be created when 70% of the schools in a Division sponsor that sport or are granted an exemption by the Athletic Commission.

Divisional sports compete for a championship trophy.

Divisional sports may select All-Conference Teams.

**Policy 4002**  
**Combination**

(At the discretion of the Athletic Commission.)

Combination sports are created when less than the requisite number of teams in a division sponsor a sport but at least six teams across the divisions sponsor that sport. If 6 to 11 teams sponsor a sport; they shall play in one division. If 12 or more teams sponsor a sport; they shall play in two divisions. When 6 teams in one division sponsor a sport and 6 other schools in the remaining divisions sponsor a sport, and then the appropriate division will assume sponsorship and the remaining teams will remain in a Combination Division.

Combination sports compete for a championship trophy.

Combination sports may select All-Conference Teams.

**Policy 4003**  
**Scheduling**

CAAC schools reserve the right to create regular season scheduling for junior varsity and freshman sports. Although sub-varsity CAAC championships do not exist, Conference schools may develop sub-varsity events that resemble conference championship events

**Policy 4005**  
**Regulations**

CAAC schools shall abide by MHSAA regulations. Exceptions may exist if the CAAC is granted a waiver by the MHSAA
