This form may be found on the MHSAA Website at mhsaa.com under "Forms & Graphics"

NOTE

Schools should not submit this form to the MHSAA Office, unless specifically requested to do so. Mailing, e-mailing or faxing eligibility lists to the MHSAA is unnecessary and wasteful – send eligibility lists to ***Tournament Managers*** with other required material prior to the opt-out due date to fulfill tournament entry requirements. Be sure to include any students who may be eligible for that tournament, such as JV players who may be "brought up." One list per sport – not separate Freshmen, JV and Varsity lists – is considered most efficient for this purpose.

To ensure that only eligible athletes enter competitions schools shall prepare a Master Eligibility List (electronic or otherwise) prior to participation in a scrimmage or contest and at the beginning of each semester/trimester. Current copies of the Master Eligibility List must be available to competing schools upon request. See Regulation II & IV, Section 4 for the complete regulation and interpretations.

MHSAA Handbook states: "Regardless of the method used to submit an eligibility list (electronic or otherwise), the school principal or superintendent shall verify that the list which is submitted is truthful and accurate, has met the approval of the appropriate school administrator and is submitted on the schools behalf."

Information for Regulation I, Sections 4 and 5 for students who have previously been enrolled in schools with **both semesters and trimesters should be converted to the system in which the student is currently enrolled using the following: 3 trimesters = 2 semesters, and 2 semesters = 3 trimesters.*
