Lansing schools will look into schedule star

Basketball Officials Mask- The discussion centered around requiring basketball officials wear masks during games. Schools are split on this topic. Some district will require masks other will not. We hope we will get direction from the MDHHS or the MHSAA on this topic.

Schools are reminded to get all winter schedules to the appropriate assignors. Also take time to check the arbiter for accuracy given the multitude of changes.

A review of the current indoor spectator limits was conducted. We are currently at 20% of capacity.

RJ Guizzetti shared that Charlotte will not be able to host Red Division boys swimming and diving meet.

The winter sports host for all 3 division were reviewed.

Discussion regarding JV-B vs Freshman teams was discussed. Should the CAAC eliminate "freshman" and call younger teams JV B to be more accurate.

Hunt began discussion of The Senior Scholar Athlete Awards and indicated planning needs to begin now if we are to have a ceremony. The next agenda will include decision what the program will look like.

At a later meeting the CAAC AD's voted unanimously to have a virtual program. Plans will be developed.
