**Tom and Nikki met with representatives from Howell, Hartland and Brighton schools on possible expansion. At present the three schools are a package deal and would trigger**

realignment if accepted into the CAAC. If accepted, this would bring the CAAC to 24 schools. The options are 3 divisions of 8 or 4 divisions of 6. At this point it remains unlikely these schools will submit letters of application to the CAAC. They are currently exploring other options. They were informed the “next step” would be formal letters of application.

Tom asked the Competition Committee to review spring sports game sheets and AD's to get schedules to Assignors.

Fall Scheduling meeting will be January 21st at Haslett High School 9:30 AM
