The wrap-up for boys soccer cup was discussed. Seeding was more difficult this year due to the red and blue divisions did not hold all conference meeting or submit finals team rankings as a group, only individual rankings from some coaches in the red division were submitted. It is important moving forward to have all divisions submit rankings at or prior to the seed meeting.

Indoor sports COVID protocols were discussed. Ingham County has a mask mandate while other counties do not. Ingham County Superintendents will submit a proposal to the county health department that will allow contest participants (including officials) to not wear masks while an active participant. Players on the bench while not an active participant would be required to wear masks.
