Rainbow sports need a more defined schedule for re-alignment. Referred to the Competition Committee.

As basketball season approaches the need to address student section behavior was discussed. There have been instances of taunts to visiting teams and fans. Some have been racial in nature. The Sportsmanship Committee will meet and discuss this and review sportsmanship guidelines and develop for diversity and cultural education.

Schools that have freshman baseball teams should let Ken from Okemos know and he will put together a schedule.
